### 4. Learn to code for the Web

Certificate of Achievement

## Juliana Marie D. Caboylo

has completed the following course:

Learn to Code for the Web  
University of Leeds and Click Start

On this course, learners were introduced to the basics of code types. They explored the role that the coding languages of HTML, CSS and JavaScript play in making web pages and sites. They also had the opportunity to try it for themselves by applying their new coding skills to a project of their own.

2 weeks, 3 hours per week
